ENVIRONMENTAL AND PRODUCT DATA SHEET

Product
LED spare part kit lamps (rechargeable)
- Warm White and Multicolour together

Raw Material
Spare part lamps for Plug Flex LED set

Packaging
Inner: box
Outer: Corrugated board

Field of Application
For indoor use.
12 hours burning time, 8 hours charge time.
All parts are to be cleaned with a damped cloth.

EC Directive 94/62/EC on Packaging and Packaging Waste
The packaging complies with all essential requirements as defined by 94/62/EC.
For example minimum adequate amount of packaging, limitation of heavy metal content, recyclable through at least one of the following: reuse, material recovery, energy recovery or composting.

Product Safety
Duni manufacturing units are certified according to the international quality system ISO 9001. They have also implemented or will implement the environmental management system ISO 14001.

The product fulfils the following:

- **Low voltage directive: (LVD)**
  Directive 2006/95/ EC
  EN62471:2006,
  EN60065:2002+A1:06+A11:08,
  EN60950-1:2006:+A11:09

- **Electromagnetic Compatibility: (EMC)**
  EN55105:2013+A1:2007+A2:2009
  EN61547:2009
  EN6100-3-2:2006+A1:2009+A2:2014
  EN611000-3-3:2013

206437_PI_en_20991231

Energy related Product: (Erp)

- Regulation 278/2009/EC

Management of used Products

The product complies with:

- EU Directive 2012/19/EU Product Recoverable according to WEEE
- EU Directive 2006/66/EC on batteries and accumulators and waste batteries and accumulators
- RoHS Directive 2011/65/EU on the Restriction of the use of certain Hazardous Substances in Electrical and Electronic equipment

Recycling

- Recycling of the plastic and the corrugated board is possible for producing new products. Check with the local recycling company.
- Used products should be handled according to local regulations for electronic products and batteries. The product should not be put in general waste.

Validity

This is issued 2023-10-10. It is revised when there is a change in the manufacturing process, in the product or in legislation.
